

Grégoire STOLPE, MD, MSc, PhD student

Cardiologist – Advanced Heart Failure, Mechanical Circulatory Support & Heart Transplantation

La Timone University Hospital – Marseille, France

Email: gregoire.stolpe@ap-hm.fr | Phone: +33 6 34 90 94 04

Address: 31 Vieux Chemin d'Endoume, 13007 Marseille, France

Profile

Cardiologist specialized in advanced heart failure, heart transplantation and mechanical circulatory support. Currently Clinical Fellow (Chef de Clinique) at La Timone University Hospital in Marseille. Training initially focused on multimodality cardiac imaging, later expanded toward advanced heart failure therapies. Actively involved in the follow-up of heart transplant recipients and patients supported with durable ventricular assist devices. Committed to academic development with ongoing research in ethics and transplantation.

Professional Experience

Clinical Fellow (Chef de Clinique) – Cardiology

La Timone University Hospital – APMH, Marseille, France
